

CONFIDENCE 101 WHERE DO WE START?

This confidence boosting online program is suitable for all ages and customized to suit the unique needs and goals of your community or organization. It is one, three hour session and a pre-requisite for Confidence 201 and 301.

DID YOU KNOW?

Confidence is one of the best qualities a person can wish to have!

HAVE YOU HEARD?

Turtle Concepts is known for our unique delivery and discussions on restoring, building, refreshing and nurturing confidence in all ages from kiddies to elders.

YES ITS TRUE!

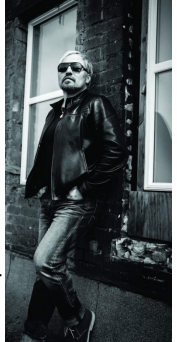

This program is guaranteed to get the participant engaged in a new type of discussion. The topics are built on Dave and Dan Jones' family life, rez life, school life and adult life... and do they have confidence!

This program will challenge participants to look back, look within and more importantly look forward to understanding confidence and how it looks, feels, acts and how one should respond to confident behaviour.

Dave and his team will ignite, excite and stimulate all to share, trust and engage in a new exciting journey to love themselves.

Dave Jones

is the Founder of Turtle Concepts and has delivered sessions on many topics. Confidence is the key to so much more in life, in relationships, in family, at work, etc.

Daniel Jones is the Co-Founder of Turtle Concepts and knows the benefits of confidence. He is a living example of the benefits of intergenerational

"excitement", living a confident life based on the teachings of Turtle Concepts.
