

CONFIDENCE 301 GET READY! LET'S GO!

This online follow-up to Confidence 201 brings confidence to life leaving your audience with clearer thoughts on self-care, self-love and self-confidence!

DID YOU KNOW?

Confidence is one of the best qualities a person can wish to have. You can show yours off by putting it into motion in your day to day life!

HAVE YOU HEARD?

In this session participants will bring their new found confidence to life, enlivening their spirit AND their energy. Participants will be encouraged to put their new "confidence ideas into motion in their day to day life".

YES ITS TRUE!

Attendees will learn and leave with clearer thoughts on self-care, self-love and self-confidence as opposed to "selfish behaviours and attitudes."

Participants will be encouraged to share their afterthoughts and experiences since starting their confidence journey. They will learn how to bring these new ideas to their day-to-day life at home, in school or at work.

It will culminate in a "validating activity" guaranteed to touch their lives forever.

Dave Jones

is the Founder of Turtle Concepts and has delivered sessions on many topics. Confidence is the key

to so much more in life, in relationships, in family, at work, etc.

Daniel Jones is the Co-Founder of Turtle Concepts and knows the benefits of confidence. He is a living example of the benefits of intergenerational

"excitement", living a confident life based on the teachings of Turtle Concepts.
