THE TURTLETALKS SHOW

WHAT YOU NEED TO KNOW!

This workshop shares solutions that teach the best ways to work with youth based on the research of Turtle Concepts. *It will cover the following:*

- Strategies to improve your working relationship with the youth.
- Shares what has worked and what the youth are looking for.
- A very clear distinction between different levels of maturity, as well as behaviours that have to be recognized when working with youth. In other words, an all ages welcome approach.
- Addresses self-confidence and how it is greatly affects Indigenous youth and the staff who choose to work with them.
